

Application for Extension of Time to Complete a Cannabis Intervention Session

TELEPHONE: (08) 9454 1454

The Cannabis Intervention Requirement notice you were given required you to book and attend a Cannabis Intervention Session (**CIS**) within 28 days of it being given to you. Police chose to give you an opportunity to access intervention services and assistance instead of taking a criminal justice pathway for the cannabis-related offence(s) it is alleged you committed.

If you consider there to be **extenuating circumstances** that have prevented you from complying with the intervention requirement by doing a CIS in the 28 days allowed, you can use this form to **fully explain** the extenuating circumstances you consider excuse your non-completion of the requirement in the time allowed.

Your application should include any references or documentation you have that can be used to verify your extenuating circumstances claim (eg. Medical Certificate, Hospital Admission records, Travel itinerary/tickets, Work roster, etc.).

Once your application has been considered you will be notified of the decision by phone or email. If your application is successful, you will be required to **book and complete the CIS** by the extension date. Booking instructions and further assistance is available by contacting the WA Police Drug Diversion Coordinator on (08) 9454 1454.
